

FLY THE DREAM!

PILOTS LICENCE SCHOLARSHIP PROGRAM

COPA Flight 177 and the Jeremy Mason Memorial Fund are proud to provide a scholarship program for young aviation enthusiasts. The program is offering **\$3,000** to a deserving local youth between their 14th and 21st birthdays as of the application deadline, who will embark or has embarked on flight training.

Program Objectives:

- To provide assistance to a worthy young person towards the cost of Recreational or Private Pilot flight training.
- To promote interest in general aviation locally.
- To increase exposure of COPA Flight 177 and encourage membership.
- To honour the memory of Jeremy Mason and his love of flying.

Jeremy Mason was a man with a passion for flying and was driven to accomplish all he could at each level of difficulty and he shared his experiences with all he knew. He would be so proud to be able to help a worthy young person to be able to get their start in flight.

Jeremy Mason

- By age 16 he had earned his private pilots license.
- By age 19 he was accepted into Canadore College in North Bay and got his commercial helicopter license.
- By age 22 he bought his first home built airplane.
- At age 25 he developed an interest in aerobatics and bought his second plane, a Pitts S1S.
- At age 26 he built his own aerobatic plane (Pitts Model 12).
- At age 28 he completed this plane in record time and was flying at air shows in the company of the Snowbirds.
